

Assembling manual

Thanks for choosing this stand. When you open the box you will find the parts and accessories as in the below picture.

- A: Main pole 2pcs
- B: Bridge 3pcs
- C: U shape mixer holder 1pcs
- D: Allen key for all the hexagon screws 1pcs
- E: Dall head bolt to connecting C and A 2pcs
- F: Hexagon screws for connecting A and B 12pcs
- G: Wheels with brake 2pcs
- H: Wheels without brake 2pcs

You can assemble this stand via the following steps.

Step 1.

Fix 2pcs of each "G" and "H" to the bottom of "A" and tighten them, "G" should be in the front.

Step 2.

Fix 12pcs of "F" to "A" and "B" via allen key and tighten them.

Step 3.

Fix "C" on the top of "A" and use 2pcs of "E" to tighten them.

Now it is ready for use.
