

D1631

DAP UCI-20 USB Jack Instrument interface

3 m

DAP

EAN: 8717748265180

The UCI-20 is the easiest solution for instant instruments and sources with line levels without having expensive interface's, drivers problems and setup procedures. Connect the jack plug into the source and the USB plug on a PC or MAC and you are ready to record. It works with practically all DAW software programs. It has a sampling rate of 16Bit, 44.1 KHz that's also the standard sample rate of every CD and gives you the quality to make professional recordings.

Special features:

- No drivers needed
- PC and MAC compatible
